

Crocker TeleMessaging Services

Special offer for new Answering Service clients:

Free Web Hosting for a Year!

Crocker does it all! Websites hosted at Crocker Communications are powered by industry standard equipment providing top performance speeds and reliability. Because we want you to experience our other premier services, ***we're offering all new Answering Service clients a FULL YEAR of Web Hosting absolutely FREE.***

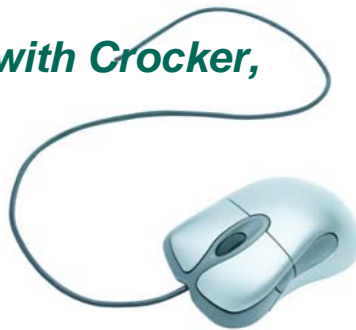

That's up to a \$310 value!

A website hosted by Crocker gives your company the reliability it requires. Crocker provides complete Web Hosting solutions including Colocation, Full Servers, Domain Name Servers and award winning, local, Technical Support. Crocker connects your site to the Internet over several major backbone providers; if one provider should go down, your site is still up and running through a second connection without interruption.

If you already have a Web Host, don't worry, our Customer Care Staff will make the transition seamlessly, AND we've even waived the one time set up and transfer fee, **a \$70 savings!** If a new website is something you've been meaning to get around to, now's the perfect time. Don't wait! This offer is good for a limited time only.

Call Sales Professional, Jessica Thompson for a customized Telephone Answering Service quote including 12 months of premier Web Hosting, absolutely FREE! Call 1-800-413-LINE or email jessicat@crocker.com. Offer ends April 1, 2008.

Host your website with Crocker,

your competition is just a click away!
